

Neilom Foundation Social Impact Interns: Summer 2021

Name of Organization: African Women's Cancer Awareness Association

Organization Mission:

To reduce the burden of cancer on African immigrant women and their families.

Is this a remote internship? Yes with 1 day check in at the office if needed.

Description of Project(s) Intern would be working on:

The Intern would be working on content development for social media and communications. He/she will work will be responsible for creating contents around the work we do for our communities and ensure they are posted as blog articles and posts on our social media platforms (Facebook, Instagram, and Twitter). He/she will support the communications manager in developing content for newsletter and other educational materials. He/she will lead the development of a web-based application that will serve our communities. This will be a simple user-friendly App that will contain basic information about our organization and breast cancer as it is specific to Africa immigrants. It will be a platform for people to be able to not just access information but be able to book an appointment to speak to us and access our services (patient navigation, counselling, psychosocial support, etc.).

Description of the skills Intern ideally should have for this project: _____

1. Intern should have social media and communications skills.
2. Ability to develop social media and communications content – good writing skills.
3. Ability to develop a web-based App.
4. Graphic design ability will be an added advantage.
5. Willingness to learn and support the work with you.
6. Hardworking and positive attitude.
7. Ability to adapt to a new work environment.

Time period of internship (start and end dates): June 1 - August 20, 2021

of hours required per week: 20 hours a week Payment per hour: \$15 per hour
